## It's Flu Season! New All-Natural Flu Medicine Is Just for Kids

Children are two to three times more likely to get flu than adults and Hyland's new Complete Flu Care 4 Kids offers comprehensive two-phase healing: taken early it shortens the time kids are sick; and taken later it provides symptomatic relief.

Hyland's Complete Flu Care 4 Kids is a safe, all-natural medicine that comes in a dose specifically tailored for children 2 and up. The product provides a safe way to stimulate the body's natural healing response to quickly and effectively relieve flu symptoms at any point in the illness. Unlike conventional products that contain acetaminophen and pseudoephedrine, Hyland's Complete Flu Care 4 Kids is an all-natural formula that can be taken safely with other medications.

Hyland's Complete Flu Care 4 Kids is available at grocery and drug stores, and select independent drug and natural foods stores. Hyland's Complete Flu Care 4 Kids comes conveniently packaged in a bottle of 125 Tablets. The suggested retail price is \$5.99. For more information or a list of retail locations, visit [www.hylands.com](http://www.hylands.com). ■
